Courses in the Human Services pathway have a transfer agreement with the Social Services program at Sauk Valley Community College.

Sauk Valley Community College Dual Enrollment

Seniors may enroll in courses at Sauk V.C.C. for both high school and college credit. Selected courses may not duplicate those already offered through Morrison High School and must be approved by the principal prior to registering for the class at either Morrison High School or Sauk Valley.

Sauk Valley Community College Social Services Program

http://www.svcc.edu/academics/departments/social_science/humanservices/index.htm

Associate in Applied Science Degree (Associate of Science Degree in Social Work is also available)

The social service curriculum is designed for students interested in obtaining employment in the broad field of human services. The social service program provides a comprehensive course of study, including human relations, group process, social problems, social work theory, policies, and skill development. Second year students will have an opportunity to apply and expand their knowledge through two supervised, on-the-job, practicum experiences.

Illinois Articulation Initiative

Sauk Valley Community College is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum between participating institutions. Completion of the transferable General Education Core Curriculum at any participating college or university in Illinois assures transferring students that lower-division general education requirements for an associate or bachelor's degree have been satisfied.
